

Unlock the Advantages of CivicRisk

CivicRisk Mutual empowers councils to create a robust, collaborative and transparent risk management strategy that aligns with their objectives.

Expert Resources and Member Portal Access

Our member portal is your go-to resource for risk management, offering **best practice guides, shared resources, legal advice, and insights from other councils**. Additionally, it provides easy access to meetings and financial information, policies, protection certificates, risk resources, and training.

Continuous Improvement Audits

Receive regular audits, including annual major-asset risk engineering audits, identifying areas for ongoing improvement to bolster your council's resilience and safety.

Risk Enhancement Grants

Secure up to \$20,000 annually to fund risk management initiatives tailored to your council's needs.

Risk Awards and Shared Success

Councils excelling in risk management are recognised with prestigious Risk Awards. **Winners share strategies during training sessions**, allowing all members to benefit from their success.

Fraud Prevention

Protect your council from social engineering fraud with EFTSure, **a cutting-edge software solution provided at no extra cost**.

Collaborative Risk Management and Networking

Join our regular meetings where **we discuss emerging risks, answer queries, share lessons learned and collaborate on strategies** to keep our communities safe.

Connect with other councils and industry experts at our annual Risk Management and Member Forums. Additionally, participate in our bi-annual forums to discover valuable lessons and areas for improvement through claims reviews.

Annual CEO Visits

Receive insights on mutual performance, claims trends and targeted risk support from our CEO during annual visits.

Claims and Insurance: We've Got You Covered

Claims and insurance are straightforward and manageable with comprehensive, ongoing guidance. Our dedicated claims team **assists with under-deductible claims and coverage questions**, offering personalised support whenever you need it.

Professional Insurance Valuations

Ensure your properties are accurately covered with annual valuations, giving you peace of mind that your assets are fully protected.

Tailored Training Sessions

From managing trees and roads to preparing for natural disasters, our training is customised to address your council's challenges. **We cover topics like contractor management, emerging risks and climate change impacts** as well as any bespoke topics you need.

Advanced Risk Management Education

Enjoy a funded RMIA membership and **access essential courses on risk management, incident response and more.**

Grants for Study Assistance

We provide financial support for those pursuing formal risk management qualifications. **Each member is eligible for up to \$5,000 in annual funding for external risk management studies.** These studies can be customised to meet your council's specific needs, including courses on risk management introduction, business continuity, governance and compliance.
